Commitment - Lessons and Rehearsals

- Students are required to attend their regular term 4 lessons to learn and master their dances for the recital. If lessons are missed, students should attend alternative lessons on another day to catch up on what they have missed in their own class.
- Extra rehearsals are very important. Full attendance is essential at all extra rehearsals. Please let us know as soon as the rehearsal dates are published, if your child(ren) cannot attend due to a prior commitment**.
- The theatre rehearsals are vital. Full attendance is essential at all extra rehearsals. Please let us know as soon as the rehearsal dates are published, if your child(ren) cannot attend due to a prior commitment**.

*** While we appreciate that commitments may be made prior to us publishing rehearsal dates/times, we would like priority to be given as much as possible to your child's class to ensure no disruption to other class members.*

- ALSD works very hard to run to time at rehearsals. Understanding and patience will be given if any rehearsals run later than the scheduled finish time. This may be because your own child or child's class has needed more time than anticipated or there has been an unexpected technical issue that has delayed the rehearsals.

Performances

With the exception of children in preschool classes:

- We expect all our students to participate in both performances (*please be aware much of our recital choreography includes working with a partner, and dancing in formations, so absence will cause disruption and undue stress on other dancers*)
- All students will remain onsite at the theatre for the duration of both performances and between performances unless told otherwise.
- ALSD works very hard to run to time on recital day. Understanding and patience will be given if either performance runs over time. This may be because of late arrivals or the audience being late back to their seats after the interval or unforeseen events/issues that arise during a performance.

Video and Photos

- The recital will be videoed and parts of this may be used for promotional purposes.
- Onstage action photos will be taken during the recital, and these may be used for promotional purposes.
- If you have concerns about this, please contact the office.

Withdrawal from the Recital

- If you wish to withdraw your child from the recital at any point in term 4 please notify the office as soon as possible out of courtesy.
- Refunds/credits for recital fees are not guaranteed and will depend on individual situations and the date of the recital.
- Teachers reserve the right to withdraw students from a recital item. The main reason for this would be if a student has not attended the necessary lessons/rehearsals to be able to learn their dance properly to participate without causing disruption or confusion to the other students.
